FOR IMMEDIATE RELEASE

ATS expands S.U.R.E. process to Train The Trainer Programs

ATS-TC announces the implementation of their S.U.R.E process in **Train the Trainer** classes. **S**upport, **U**nderstanding, **R**ealization, and **E**valuation previously used in post course follow-up to provide an on-going executive coaching resource is now successfully designed to provide support and improvement to in house trainers of ATS-TC courses.
